

## Non-Carbonated Backpack

The Keg Club Non-Carbonated Backpack offers excellent temperature retention using our new highly insulated container. A one piece polyethylene outer shell combined with thick foam core insulates against heat loss for hours.

It keeps cold beverages cold and hot beverages hot for hours. Now available in 2.5 gallon / 9.5 liter and 1 gallon / 3.8 liter sizes. It's based on a gravity fed design so no more air compressors or pumps. Designed with ease of use and cleaning in mind. THE INB-01 backpack dispenser is great for sampling or selling. Just fill and sell of sample.

2.5 Gallon Non-Carbonated backpack for hot beverages includes:

- Backpack harness assembly
- Removable signage area
- 2.5 Gallon insulated container
- Cup dispenser (4-12 oz cups)
- 6 pocket pouch

### Features & Benefits

- 1 Gallon & 2.5 Gallon heavily insulated container
- Gravity fed - no more air compressors or pumps
- 3 1/4 sq. ft. of advertising space available for your graphics
- Larger dispensing hose & gun allow for greater flow - lets you sample or sell quicker
- Our new container is easy to clean
- Keeps hot beverages hot and cold beverages cold for hours - no more ice packs or hot packs
- Tests show an average temperature loss of only 4 degrees F per hour
